

Feedback and Decisions from 1st MedRIN Meeting

Mediterranean Regional Information Network (MedRIN), 20th March 2019

Final remarks

Proposed priorities:

- **Urban and built-up areas (wildland urban interface, population dynamics and how that affects landscape)**
- **Rural areas / Agriculture, Forestry and wildlands (monitoring dynamic landscape changes)**
- **Hazards (fires including agricultural fires, earthquakes, floods, etc.)**
- **Soil and water resource management (Irrigation/Hydrology, Soil degradation, Desertification)**
- **Training will be a major component of all proposed priorities**

Mediterranean Regional Information Network (MedRIN)

Final Remarks

- **New memberships**
- **62 attendants of the workshop from the countries justified to be MedRIN members. The remaining will be observers.**
- **Develop a plan for funding resources**
- **Communication plan presented by Dr. Georgia Kouta is approved**
- **Webex in two months time (May – June 2019)**
- **Submit a proposal to COST for supporting MedRIN activities**
- **Propose a special issue MDPI Remote Sensing on 'MedRIN activities'**
- **Promote cross-institutional programs at MSc and PhD level related to MedRIN priorities**
